

Summer Program Package

Welcome! Whether this is your very first summer or your third summer with Dawn and Dusk, we are so happy that you will be joining us! Our summers are jam packed with many different things to do. This is your one and only master package with everything you need. This includes weekly activity calendar(s) and permission slips that need to be returned. Please read everything carefully.

IMPORTANT THINGS TO KNOW:

1. The weekly calendar has specific items each day that your child will need to have with them. Please ensure these items are packed in your child's bag. **Runners, hat, water bottle and sun screen/bug spray are mandatory. If your child(ren) are sent to the centre without a hat, they will be given a Dawn and Dusk hat to wear before allowing to participate in outdoor programming.**

Note: If you would like to leave sunscreen/bug spray/water bottle/hat with us, we will keep it labelled and in a container for the week. You just have to let us know.

2. Arrival times are outlined on each day of the weekly calendar, these will change depending on the activity. Please note that if your child is not at the centre by the stated time, they will miss out on programming for that day. **Children will not be allowed to be picked up or dropped off during any outings.** Please send us a text or phone if your child will be away. I have attached our "important numbers" business card to this package!
3. Fieldtrips may change depending on our weather, our Facebook page will be a great place to check if you are wondering if any of our plans change. Text messages will be sent in the morning as early as possible for those trips that have changed.
